

U.S. Paraxylene Prices⁽¹⁾

Paraxylene prices increased slightly during the year, but margins remained at bottom of cycle.

⁽¹⁾Annual averages based on published industry pricing data.

Ethylene/Polyethylene Prices⁽¹⁾

Polyethylene (LLDPE) prices increased in both the United States and Europe during 1999 in response to rising feedstock costs. Ethylene prices increased in the United States but declined in Europe.

Manufacturing Locations⁽²⁾

■ Olefins and Aromatics ▲ Polymers ● Other Chemicals ◆ Oriented Polypropylene Film

Note: Large/integrated production complexes, based on size or breadth of product slate, shown in **bold**.

United States

- Baton Rouge, Louisiana** ■ ▲ ●
- Baytown, Texas** ■ ▲ ●
- Bayway, New Jersey ▲
