

**Waxes**

**REACH registration status**

**Date issued: November 2010**

ExxonMobil has now completed the registration of all **Waxes** that are currently manufactured by ExxonMobil within the EU or imported into the EU directly by ExxonMobil.

ExxonMobil does not provide an Only Representative service for this range of products.

Please refer to your ExxonMobil Wax Sales contact if you have any questions.

**Note**

ExxonMobil will not be liable for any damages resulting from the use of or reliance on this information.
