Issue 8 | July 2019

To keep up with an evolving market you need a reliable supply of quality base stocks offering broad coverage. We're pleased to announce the **completion of the Singapore refinery base stocks expansion project**, bringing enhanced EHC™ base stocks to Asia Pacific.

We're also excited about the confirmation of a further **multibillion-dollar expansion** of our Singapore integrated complex, planned to be completed in 2023. These expansion projects demonstrate our commitment to the base stocks industry globally, now and in the future.
